ANTIOCH, ILLINOIS,

THURSDAY, AUGUST 14, 1947

FIRST IN RESULTS TO ADVERTISERS NUMBER 2

## Antioch Host to Lake County Fair Next Three Days at High School Grounds and Building; Large Crowds Are Anticipated

**Sec'y. E. E. Elsbury Says Early Registration Shows Exhibits Will Be Equal to Any Past Year; Midway With Free Acts Planned**

Antioch will be the scene of Lake county's fair starting tomorrow and extending until Sunday night. Several thousand persons are expected to view the exhibits and enjoy the various kinds of entertainment.

Early registration gave promise of the largest number of entries in the history of the association which dates back many years.

E. E. Elsbury, secretary of the organization, was greatly pleased with the results to date and predicted a great fair. He noted the fact that every bit of the 400 feet of commercial space was sold early.

He noted too, the last minute success of the association in obtaining three concession rides, a chair ride, a plane ride and a train for the kiddies. A number of game concessions are to be set up for the three days, giving a carnival aspect to the midway.

The Public Service Co. of Northern Illinois has a big display under its large tent at the south end of the grounds and six or seven acts of radio stars from WLS station, Chicago, have been engaged for the weekend. This will be an exhibit worth seeing.

**Sensational Acts Booked**  
The fair will have its own free entertainment. It will include a sensational bar act with trampoline tricks presented by Nick Cravat, assisted by a young woman; Ruddy and Jean Petersen in a roller skating act which provides for a contest among children from the audience; and Dick Drake, comedy musical numbers on the balalaika.

A four-piece orchestra directed by David McElroy of Zion will play for the acts.

The fair exhibits will be the big show, however, two large tents 40x200 feet in dimension have been set up at the north end of the school grounds to house the livestock. The association decided to keep the attractions all west of the tracks even though land east of the tracks is available to prevent possible accident through passing Soo line trains.

**Home Ec. in School**

The home economics and arts exhibits will all be in the Antioch High school building. The many entries are said to insure a good fair despite the fact that none has been held since before the war.

"It looks good in comparison to other years," President Elsbury asserted.

The Farm Bureau has moved its headquarters from Grayslake to the fair grounds for the duration of the fair. The Home Bureau will have a concession booth.

The Zion junior band will give a concert at 9 p. m. tomorrow.

## 22,000 Attend Kenosha County Fair at Wilmett; Largest in its History

A total of 22,000 persons attended the Kenosha county fair that came to a close Sunday at Wilmett. It was the largest attendance in the history of the association and was double that of pre-war years.

The number of exhibits was far greater than any previous year and the crowds were well entertained by the six big free acts. The midway was lively at all times.

Three thousand persons attended the horse show which was exceptionally good.

"We are well pleased with the results of the fair this year," said M. M. Schurr, president of the association. "Everyone seemed to enjoy it and there was a good spirit throughout the week."

## Extend Deadline for Army Nurse Enlistment Period

The closing date for accepting applications for the Regular Army Nurse Corps has been extended to September 30, 1947. Lieutenant General Walton H. Walker, Commanding the Fifth Army, announced today from his headquarters at 1600 E. Hyde Park Boulevard, Chicago.

The War Department has been accepting applications since May 1, this year, following enactment of legislation creating a permanent Nurse Corps in the Regular Army.

**Freshmen Register at A. T. H. S.**  
Registration of all freshmen and upperclassmen who decided since last spring to change their programs or those new to the school took place Monday, Tuesday and Wednesday of this week at Antioch High school.

## Lake Michigan Beaches On North Shore Closed; Deep Lake Also Closed

Closing of beaches on Deep Lake, at Liberty lake, and on all north shore points on Lake Michigan in Lake County with the exception of Waukegan because of water pollution has taken place.

State representatives and engineers making daily checks insured these places are contaminated and recommended as unfit for bathing the places they ordered closed.

Although Waukegan's beaches tested just as badly as any place on the north shore lake front, according to state reports, Mayor Wallin on the basis of the city's own reports refused to close them.

States attorneys were preparing to take court action to punish Lake Villa for emptying its sewage in Deep Lake. The state water board had given the village until July 1 to stop emptying sewage into Deep Lake and the penalty for violation thereafter is \$100 a day.

Thomas Philbin, district engineer, said that tests were made in the ravines around Highland park and Lake Forest, revealing that pure sewage is going into Lake Michigan from those cities. The beaches there have been closed.

## Heavy Expenditures With- in Lake Co. For New Farm Homes in Next 5 Yrs. Seen

Farm families in Lake county will spend more than \$1,162,000 for new housing in the next three to five years, according to a forecast released by the Title Council of America.

"As a result of high incomes during the last few years, farmers in every part of the nation are prepared to invest record amounts in new home construction and in general farm improvements," said F. B. Ortmann, chairman of the Council's residential construction committee.

Pointing out that the comforts and conveniences of urban living are now available to farm families, Ortmann said that new rural homes will incorporate such features as central heating, tiled bathrooms and modern kitchen facilities.

Rapid electrification of rural areas of Illinois is making possible the incorporation in new homes of many labor-saving and comfort-providing devices undreamed of a generation ago, according to Ortmann. Rural electrification Administration estimates disclose that more than 66 per cent of all farms in the state now receive central station electric service. Refrigerators, electric washing machines and deep freezing plants, as well as plumbing systems, will go in to many new homes as a consequence.

## Petite Lake Association Plans Dance for Saturday

Petite Lake Highlands association has planned a "Grand Midsummer-nights Dance" for 8 p. m. Saturday at the Antioch Legion hall on the east end of Ida st.

Good music, refreshments and prizes are being offered.

## Christian Science Church Has New Electric Organ

Members of the Christian Science church in Antioch are quite pleased with their new Hammond electric organ which has been in use for services the last two weeks.

Mrs. Virginia Cline is the organist and with her playing, the words of the reader, and the beautiful decorations of the pulpit the services last Sunday were quite inspiring, members said.

## Win Poppy Poster Contest

First place in Poppy Poster contest sponsored by the American Legion Auxiliary went to Arlene Hanson of Cedar Lake school in class No. 1, and she will receive \$15.

In class No. 2, Nancy L. Pirsen, of Emerson school won first place and received \$5. Ann McMillen who won second place in this class got \$2.50.

## Last Quarter

## Public Service Exhibit Big Attraction at Fair; Radio Stars to Entertain

"Electricity At Work On The Farm" is the theme of a special exhibit to be sponsored by the Public Service Company of Northern Illinois as one of the featured attractions of the Lake County Fair at Antioch, Aug. 15, 16 and 17.

Housed in a "big top" tent, 60x110 feet, the display, especially produced for exhibit at county fairs, shows how electricity saves both dollars and back-breaking labor for the farmer and the farm wife.

Featuring actual electrical equipment or working models with a backdrop of blow-up photographs of typical operations, the exhibit demonstrates the use of electricity for such farm chores as silo unloading, barn cleaning, ventilating, irrigating, home milk pasteurizing, milk handling, crop drying, and feed handling.

As the center of attraction for the farm wife, a complete model electric kitchen and laundry room is installed on the big stage. Home economists of the company will be available to discuss modern cooking and laundry methods, home planning, and other household subjects.

In addition to the farm and home electrical exhibits, famous stars of radio station WLS and the National Barn Dance will give performances daily at 1, 5, 7, and 9 p. m. under the utility's "big top." The show, free to all visitors at the fair, will feature such favorites as Mac and Bob, the Polly Jenkins Trio, Uncle Tom Corvine, Jimmy James, and Gene Collin. The show is changed daily.

The exhibit will be open daily during the three days of the fair and G. W. Joedicke, district superintendent for the utility, announces that all persons attending the fair will be welcome. It came here from a fair at Kankakee, Ill.

## Getchell Certain to be New Legion Commander; Convention in Chicago

Douglas D. Getchell, of Grayslake, senior vice-commander of the Illinois American Legion, will have no opposition in his candidacy for state commander at the state convention which starts today at the Morrison hotel in Chicago.

The band contests will be on Saturday and the big parade will be at 1 p. m. on Sunday.

The election of officers will take place Monday.

Antioch post will have its representatives at the convention this weekend.

The Antioch delegates are John L. Horan, Edward Frazier, and Everett Hatfield. The alternates are Raymond Morion, Ed Jahneke and Charles J. Cermak, Jr.

## Methodists Plan Supper To Greet New Minister

A pot luck supper will be held at 6:30 p. m. Thursday, Aug. 21 by members and friends of the Methodist church at the church.

The event will be a get-acquainted party at which the community will meet and greet the new pastor, the Rev. G. R. Tuttle.

## Ground Exceedingly Hard

The workmen found the ground so hard at the fair grounds, on the Antioch High school athletic field that it was necessary to use machinery to drive stakes for the tents, and even then it was exceedingly difficult. The many rains and continuous tramping of feet made the soil almost as hard as rock.

## Barn Burns at Depner Resort on Lake Marie

An old barn that had been used as a garage at the Depner Resort at Lake Marie was destroyed by fire Saturday afternoon.

The blaze had such a good start when the Antioch fire department arrived that it first turned its attention to extinguishing a blaze that had caught on the roof of the resort's ice house nearby, and then saved what it could of the barn.

The blaze started from a rubbish fire. The barn was so old that the owner was preparing to tear it down firemen said.

## Veteran May Find Tools To Start Shop in Sale of W. A. A. War Materials

That young veteran, who wants to start his own machine shop, may find "just the ticket" in the nearly \$800,000 worth of machine tools being offered for sale at warehouse 12, Milwaukee, Bruce J. Brown, Chicago regional director of War Assets Administration, said today.

Among the tools, listed in catalog CG-85-1317, are machines for die sinking, drilling, surfacing, broaching, interior and exterior cutting, drill grinding, milling, sanding, and tapping. Brown said there are also some good lathes, slotters and screw machines.

Machines, which will be sold at fixed prices, observing the regular priorities, may be inspected at warehouse 12, 4574 North Port Washington road, Milwaukee, beginning Aug. 15.

Priority orders will be accepted through September 2, 1947, and will be filled September 3. The sale will then be open to commercial buyers without priorities on September 4. The donation period starts September 18, and the sale closes on Sept. 24.

A second War Assets Administration sale of \$65,000 worth of industrial heat treating equipment will begin with inspection of the furnaces at warehouse 12 on August 15. The catalog listing is CG-68-1315.

## Law to Be Enforced to Stop Motor Boat Speeding in Chain O'Lakes Region, Livingston Osborne Says

Motorboat speedsters not participating in regulated races may find themselves in trouble if they become careless on the lakes of this region, especially the Chain O' Lakes area.

The appeal of the people to the state to stop hazardous driving has finally found an answer.

Enforcement of the new law regulating the operation of motor boats on waters within the state has already been undertaken by officers of the Illinois department of conservation, Livingston E. Osborne, director, announced today. There has long been a need for an act of this nature, Osborne added, and all conservation officers have been instructed on the law and told to enforce its provisions in a fair and impartial manner.

A summary of the motor boat law follows:

SECTION 1. "Motorboat" includes every surface vessel propelled by an internal combustion engine and not more than sixty-five feet in length from end to end over the deck, excluding sheer.

SECTION 2. No person who is a habitual user of narcotic drugs or who is under the influence of in-

## Today Second Anniversary of V-J Day, Patriotic Groups to Stage Big Parade Followed by Program at Village Park

**Jack Meyers of Veterans Administration Will Be Main Speaker; Leaders of American Legion and V. F. W. to be Introduced**

Today marks the second year since V-J day—the end of World War II.

Two years ago the nation was hysterically celebrating the news that came during the day that Japan had surrendered and the more than three years of strife were over.

Those who survived the battles are now home and with each passing year the horrors of war grow more dim and the friendships formed during the days of fighting strengthen.

## Amended Law Provides More Time in Which to Report Bad Accidents

Changes in the state law having to do with financial responsibility of motorists in connection with automobile accidents were listed today by Secretary of State Edward J. Barrett. The changes are the result of action by the recent General Assembly and approved by Gov. Dwight H. Green.

One change extends the time for certification of a motorist involved in an accident. Formerly the Department of Public Works and Buildings was allowed 30 days in which to certify motorists to the Safety Financial Responsibility Division under Secretary Barrett for failure to comply with the law.

Now, under House Bill 256 the period in which to certify has been extended to 45 days to allow more time for checking on the accident.

The bill, signed into law on June 4th and effective on July 1st, also provides that the law is to be known as "The Safety Responsibility Law," and that data on accidents must be submitted to Secretary Barrett on request in specific cases.

Another change is that provided for in House Bill 260 by the same authors of House Bill 256, to place accidents involving death or injury in the same category as accidents involving only property damage. Formerly the law provided that accidents involving death and injury must be reported within 24 hours.

Now, under House Bill 260 which was signed June 4th and became effective July 1st, the law is amended to allow 10 days instead of 24 hours in which to report accidents involving death or injury—the same as for property damage cases. This bill also makes it the duty of an automobile owner to report an accident if the driver fails to do so.

## Suicide Act Discounted When Woman Uses Poison

A young woman who said to have had insufficient interest from her boy friend threatened suicide and when she became ill at the Thompson tavern at 7:15 p. m. Wednesday the Rescue squad and a physician were called.

The poison was found only on her lips and none had been taken internally. She was removed to her home by the Rescue squad.

Antioch will remember the occasion through her patriotic organizations this evening. A parade starting at the Antioch High school building at 7:45 p. m. will proceed north to the village park where a program will be given.

Windsor Dalgaard, serving as master of ceremonies will announce the following program:

Invocation by Legion Chaplain Ed Jahneke; introduction of V. F. W. Comdr. Robert Strang; Legion Comdr. Everett Hatfield and Comdr-elect Ed Frazier; V. F. W. auxiliary president, Mrs. Gertrude Flint, and Legion auxiliary president Mrs. Rose Kennedy.

The Antioch Legion drum and bugle corps will play selections, after which Jack Meyer of the Veterans Administration will speak.

The Rev. E. W. Strausser, chaplain of the V. F. W., will pronounce the benediction and the firing squad of the Legion will fire a volley followed by taps played by William Lahti.

## C. K. Anderson is Host To Directors of N. S. Co. At Channel Lake Home

The directors of the National Standard Co., of Niles, Mich., held their August meeting at the C. K. Anderson home on Channel lake this week.

After the meeting they were served a grilled steak dinner.

W. F. Harrah and Mr. Anderson organized the National Wire Cloth Co., in 1903 and in 1917 the name was changed to National Standard. Anderson was president until 1917 when he became president of American Wire Cloth Co., and Mr. Harrah took his place as president of National Standard. Mr. Harrah became chairman of the board and W. H. Parkheim became president in 1936. They now have six plants in the U. S. A. and one each in Canada and England. The plants manufacture 85 per cent of all auto tire braid and fine steel, brass stainless steel wire and front spring wire.

The directors, all of whom were present, are W. H. Harrah, W. H. Parkheim, A. H. Johnson, J. A. Cook, A. W. Wakeley, W. J. Buethner, and C. K. Anderson.

## Rescue Squad Fund Aid To Be Sought in 4200 Mailed Appeals Soon

Preparations are being made to mail appeals to 4,200 residents of Antioch and vicinity seeking donations to the Lions Club Committee Rescue Squad fund.

The letters will be sent out in the next two weeks and the committee is hoping that the people will be as generous in their response as last year if not more so.

The Rescue squad had two calls this week. The first was on Sunday afternoon near the entrance of Sherwood park, Lake Villa where a sailor suffered a nervous attack from alcoholism. It took six men to keep him from doing violence and to take him to Great Lakes Training center for treatment.

The second call on Wednesday evening was to give first aid to a woman who became ill at a local tavern.

## Masons Confer Degree And Plan to Entertain Boy Builders Sept. 12

Despite hot weather the Sequoit Masonic lodge of Antioch continues to confer degrees. A third, or Master Mason degree was conferred Tuesday evening, and one week from next Tuesday the Fellowcraft degree will be conferred on four or five candidates. Next week will be the regular stated meeting.

Plans are being made to have the Boy Builders organization exemplify their work before the lodge on Sept. 12. Thirty-two boys from the area and particularly Chicago and Grayslake will be present.

### You Can Excuse The Chinamen

A reporter for the Christian Science Monitor tells of three Chinese who worked for six years in Cuba under the protection of the United States, earning a comparatively fabulous American salary. When asked if they had ever heard of democracy, they looked blank. He then asked them whether they had ever heard of Communism. They answered enthusiastically in the affirmative. "Furthermore," the reporter said, "they all thought they would prefer living under the Communists in northern China on their return home. They have read about Communism, but never heard or read about the democratic way of life under which they are living so happily. Like the rest of us, they take for granted American democracy."

The government of the United States has functioned through the years for one purpose—to protect the dignity and freedom of its citizens. Individual initiative and endeavor built the economy which makes this type of government possible and keeps it operating effectively. Yet, in the last decade and a half, there has been a clear trend in the direction of government ownership of industry—Communism. Two billion dollars have been spent to establish government in the business of generating and distribution electric power alone, in tax-exempt competition with the investor-owned tax-paying electric industry. A great hydro-electric system is proposed for the Missouri and Mississippi rivers, with no mention of its effect on existing private utilities in the two valleys.

Such proposals by men high in government echo the hollowness of the three Chinese who lived under democracy in Cuba but didn't know what it was.

If this nation is to survive as a land of liberty, the government cannot go on expanding in fields that are the province of the private citizens.

### Oil's Price Policy

The attitude of the oil industry toward its current problems is well covered in a news release by one of the largest American companies.

It is observed that the present demand for oil products is the highest in history and the ability of

the industry to meet it is strained, not by lack of crude oil in the ground but by limitations in facilities which are largely the result of the war.

It then pointed out that competition for crude supplies within the industry often causes higher prices. This is of general benefit when price increases result in boosting the overall supply of petroleum products. But if the supply is not increased, the increases "would only be inflationary and should be resisted." As a result, this company, in common with most units of the industry, "is following the general policy of not increasing prices unless such increases will tend to maintain or bring out additional supplies."

That is the answer to those who believe the oil industry has an "all the traffic will bear" price policy. The truth is that the price increases for oil products which have taken place since the war's end have been well below the average for commodity prices as a whole. That is a considerable accomplishment in the face of the greatly increased cost of drilling wells, transporting oil, building service stations, etc.

Even as the industry is carrying on this "hold the line" price policy, it is making every effort to increase production to meet the enormous demand. Its past record is sufficient evidence that it will do the job.

\*\*\*

### Profit Stimulates Progress

It is frequently argued that retail cooperatives are one of the possible answers to the high cost of living problem, on the theory that this method of selling goods "at cost" can make possible lower prices to the consumer.

The trouble with the theory is that co-ops have been in business a great many years, and have not shown that they can adequately serve the vast majority of buyers.

Co-ops escape various taxes which must be paid by other retailers, both chain and independent. But this is an artificial cost advantage, and many believe that the co-ops, as a result, are indirectly subsidized by all the taxpayers.

Most of the co-ops are in rural areas, where rents, land-taxes and wages are lower than in cities. They thus do not have to face the problem of serving consumers who want to do their shopping in convenient, high-rent locations, and demand high standards of service.

The competitive retail system, with merchants earning a modest profit and giving people what they want, is the backbone of our consumer economy. No other system has shown an ability to supplant it. If all business were conducted on the "non-profit" basis as are the co-ops, there would be, precious little progress in the country.

Mrs. M. H. Gindich and daughters, Kathleen and Yvonne, are spending a few weeks at Slinger, Wis., and Kathleen is taking a summer course at Madison at the University. She is a member of a dramatic group which recently played, "The Swan Song" and received favorable comment. The same group will present "The Swan Song" at the Milwaukee Fair on Aug. 18, and two of Kathleen's classmates here, Rosemary Slazes and Betty Ring plan to attend.

Mrs. Marie Kelly and son, Edward, of Waukegan, were guests of the Blumenschein family last Sunday, and on Monday Mrs. George Magdon, of Waukegan, was a luncheon guest of Mrs. Blumenschein. On Tuesday, her aunt, Mrs. Mabel Baker, of Chicago, came to spend the day.

Mr. and Mrs. Harry Nickerson spent last week when he was enjoying his vacation, with his mother at Gary, Ind.

Mr. and Mrs. Grabowski have moved out from Chicago to their recently remodeled home at the end of Cedar Avenue, known as the Douglas house.

Mr. and Mrs. George Mitchell, of Chicago, visited their mother, Mrs. James Kerr, and the Wm. Weber family over Sunday.

Mr. and Mrs. Earl Caldwell, of Sand Lake, have been enjoying a vacation in northern Wisconsin. Mr. Caldwell is employed at Abbott's in North Chicago.

Several from this locality were in Chicago Sunday and Monday to visit the funeral home and to attend the funeral of Wm. and George Lescher of Hastings Lake, who were killed

last week in an auto accident in Kansas while on their way home from a trip to California.

The Lake Villa Volunteer Fire Department invites you to attend their annual carnival at the village on Fri-

day evening, Aug. 22, Saturday and Sunday afternoons, Aug. 23 and 24, and evenings with plenty of games, amusements and entertainment for all. You'll enjoy meeting your friends at the park.

## LAKE VILLA

The worship service at the Community church next Sunday will be in observance of VJ Day and the minister will at that time endeavor to describe how a bundle of sticks which the Apostle Paul laid on a fire 2000 years ago on the island of Malta gives us a clue to the way of peace. The topic is "A Bundle of Sticks." This service is at 11 a. m., church school at 10 a. m.

Wednesday, Aug. 20, is the day that the Halcyn club of the Community church will present its annual fall fashion show at the school gym, so plan to be there at 2 p. m. The club is preparing an enjoyable program for you.

The work of installing a new oil furnace at the Community church was begun last week, and other improvements will follow.

F. R. Sherwood, of Chicago, visited friends and relatives here part of last week.

Mr. and Mrs. Arthur Evans of the Reynolds place attended the funeral of a relative at Aurora last Wednesday.

The school board announces the appointment of the following teachers for the consolidated districts comprising Lake Villa, Cedar Lake, Sand Lake and Monaville school as follows: Principal and teachers of grades 7 and 8, David Schrum, teacher of grades 5 and 6, Mrs. Marie Crawford, of Libertyville, grades 3 and 4, Mrs. Lakin, also of Libertyville and primary teacher of first two grades, Mrs. DeYoung, of Lake Villa. As yet, no teacher has been secured for Cedar Lake which will have the first five grades, others grades come to Lake Villa.

The Woman's Society of Christian Service will not hold a regular meeting in late August, but will begin regular schedule for September. The ladies have a new supply of rugs which may be seen at the home of Mrs. Charles Hamlin.

## WILMOT

Mrs. L. E. Sweet, of Richmond, Mr. and Mrs. Walter Rasch and family, of Slades Corners, Mr. and Mrs. Norman Rasch and family, of Sturtevant, spent Sunday with Mr. and Mrs. Elmer Rasch.

Mrs. Charles Rasch and Bernice Letting, of Kenosha, spent a few days with Mr. and Mrs. Ervin Rasch. Beverly Rasch, of Sturtevant, is spending a week with Mr. and Mrs. Elmer Rasch.

Mrs. Cyril Pacey and Susie and Roy Haller, Jr., were Burlington callers Tuesday.

Mr. and Mrs. Wallace Hoffman, of Gary, Ind., spent a few days with Mr. and Mrs. George Higgins.

Kay and Marlene Hoffman, of Genoa City, spent Saturday with Mr. and Mrs. George Higgins.

Mr. and Mrs. Earl McKenzie and Marjorie left Tuesday for Luck, Wis., to bring their furniture to live at Camp Lake.

Earl Harm, Melvin Harm, Rodella Harm, Mrs. Flavia Ehler, Mrs. Herman Frank were Tuesday morning callers of Mrs. Bertha Harm at Woodstock.

Mr. and Mrs. Michael Seitz, of Wilmot, announce the engagement of their daughter, Mary to Charles Heffner, son of Mr. and Mrs. Ben Heffner, of New Munster. No date has been set for the wedding.

Mrs. Walter Gebhart, Mrs. Emil Jennerich, of Antioch, were Wednesday callers of Mrs. Ernest Otto.

Mrs. Bertha Harm, of English Prairie, is a patient at the Woodstock hospital.

Art Shottliff and son, Jack, from Gary, Ind., were callers at the R. C.

Shottliff home on their way to the Shottliff reunion which was held at Rockton, Ill.

Rev. and Mrs. Carl Otto and son, of Wauwatosa, spent Sunday with Rev. and Mrs. R. P. Otto.

Mrs. Clifford Schaal and son of Powers Lake, spent Tuesday with Mrs. Alfred Oetting.

Mr. and Mrs. Chris Heide, Mr. and Mrs. John Heide, Mr. and Mrs. Stanford Heide and little daughter, Lorrie Ann, were dinner guests of R. C. Shottliff Sunday. Mr. and Mrs. Chris Heide are leaving shortly for California.

Mr. and Mrs. Roy Kufalk, of Antioch, Mr. and Mrs. Ernest Otto, Mrs. Alfred Oetting and daughters were Monday evening callers of Mr. and Mrs. Herman G. Frank.

Mr. and Mrs. Ed Parke, of Barrington, Mr. and Mrs. Matt Thom and

son, of Palatine, were weekend callers of Mr. and Mrs. Gus Neuman. R. C. Shottliff retired from the post office August 1st, after 34 years of service.

Mr. and Mrs. Herman G. Frank, and children, Mrs. Flavia Ehler, called on Mrs. Bertha Harm and Mr. and Mrs. Earl Swenson at Woodstock Monday afternoon.

Roy Haller, Jr., of Kenosha, spent the last week with Mr. and Mrs. Cyril Pacey.

Mr. and Mrs. Charles Bruns, Mabel Drane, George Bruns, of Forest Park, spent Sunday with Mr. and Mrs. Cyril Pacey.

### All aboard on the Soo Line "Side Door Pullman"!

Livestock, as every cattle raiser knows, must be moved to market quickly, with a minimum of weight loss.

Well, mister, that's just the kind of service the Soo Line aims to deliver. Fast and efficient. Trouble-free. Service you can count on like money in the bank.

The Soo Line serves an area of more than a half-million square miles in this upper mid-west—including direct service to some 500 towns. Day-in day-out, fair weather or fierce, this "working partner" of yours moves freight for you, swiftly, dependably.

Maybe that's why so many stock, grain, dairy, woodpulp and other shippers call the Soo Line "partner". Even the cattle like our "side door pullmans".

Next time you have a freight shipment in or through this area, it will pay you, too, to specify "Soo".

Your Working Partner 7 Days a Week

# SOCIETY EVENTS

## Mrs. Woods Entertains At Baby Shower for Mrs. Charles Smith Tuesday

Mrs. J. W. Woods of Lake Marie, entertained at a baby shower and luncheon for Mrs. Charles Smith, daughter-in-law of Mr. and Mrs. Howard Smith Tuesday, Aug. 12.

Mrs. Smith, the guest of honor, received a beautiful corsage from the hostess and many lovely gifts from the guests.

The guests were Mesdames Howard Smith, John Weiss, Bernice Fields, Max Fields, Edgar Whalen, H. Knackstedt, M. Furlan, Harry Beckman, and from Chicago the guest of honor's mother, Mrs. Julia Rooney and the sisters, Mrs. Frank Baur and family and Mrs. James Quardl.

## WESLEY CIRCLE TO HOLD ICE CREAM SOCIAL

Members of the Methodist Wesley Circle will hold a meeting and ice cream social, Wed., Aug. 20, at 2:30 p. m., at the home of Mrs. George Grunow at Channel Lake, located 1 block north of Rte 173, near Lindquist Resort.

S/Sgt. John R. White, USMC, who has been attending Troop Training school in San Diego, Calif., and Seattle, Washington, left last week for Point Barrow, Alaska. He expects to be there two months, then will return to his squadron in China the last of October.

**Home Bake Sale**  
The Methodist church ladies will hold a home bakery sale Saturday, August 16, starting at 9 a. m. at the Wilton Electric shop, Antioch.

Miss Janice Runyard, daughter of Mr. and Mrs. James Runyard, left Tuesday for New York and Graysville, Vermont, for a two weeks vacation.

**Lake Villa Plans Style Show**  
The Halcyon group of the Methodist church at Lake Villa will have its second annual Fashion Fun party at the Lake Villa grade school, Wednesday, Aug. 20 to which all women are invited.

There will be a style show of fall fashions which will be followed by a contest in the showing of home made hats.

## ST. IGNATIUS CHURCH NOTES—

11th Sunday after Trinity  
7:30 Eucharist  
11:00 Eucharist and sermon. Sermon topic "The Foreign Policy of the Kingdom of God."

Our New Pipe Organ will probably be in use this Sunday for the first time. Watch for announcement of dedication and first recital.

## LEGAL NOTICE

Form of Advertisement for Bids  
The Village of Antioch, Illinois, will receive sealed bids for the construction of a Fire Station, until 8 p. m., D. S. T., on the 22nd day of August, 1947, at the Village Hall, Main Street, Antioch, Illinois, at which time and place all bids will be publicly opened and read aloud.

Each successful bidder will be required to furnish a satisfactory performance bond.

The contract documents, including plans and specifications are on file at the office of Roy Murrie, Clerk of the Board, Antioch, Illinois, and at the office of Wilbur A. Mullin, Architect, 5 N. Genesee St., Waukegan, Illinois.

The Owner reserves the right to reject any or all bids and to waive any information in bidding.

A certified check, bank draft payable to the Clerk of the Board or a satisfactory bid bond executed by the bidder and a surety company in an amount equal to five per cent (5%) of the bid shall be submitted with each bid.

No bid may be withdrawn, after the scheduled closing time for receipt of bids, for at least thirty (30) days.

Roy Murrie, Clerk of the Board

**Notice of Public Hearing**  
Notice is hereby given by the Board of Education of School District No. 117 in the County of Lake, State of Illinois, that a tentative budget and appropriation ordinance for said school district for the fiscal year beginning July 1st, 1947, will be on file and conveniently available to public inspection at the home of Mrs. Helen Osmond, 950 Hillside Avenue, Antioch, Illinois, in said school district, from and after eight o'clock A. M. Friday, August 15th, 1947, for a period of thirty days.

Notice is further given hereby that a public hearing on said budget and appropriation ordinance will be held at eight o'clock P. M. Wednesday, September 17th, 1947, at the high school building in this school district No. 117.

On the fourteenth day of August, 1947, at the County of Lake, State of Illinois.

H. Osmond, Secretary

## Dan Bienemen's Father Dies in Cleveland, Ohio Burial to be in Kenosha

Henry R. Bienemen, father of Daniel Bienemen of Petite Lake, died in Cleveland, Ohio, Tuesday after a short illness.

He was born in Kenosha, August 8, 1881, the son of Margaret and Comiskey Bienemen.

Mr. Bienemen for many years served as production manager for Simmons Company in Kenosha and for the past ten years he was manager of the Lawton's Clothiers in Waukegan.

His body will rest at Crossin's funeral home in Kenosha until Saturday, when funeral services will be held at St. James church at 9 a. m. C. S. T.

Those surviving him are his son, Daniel, two daughters, Mrs. Blanche Brady and Mrs. Pearl Skidmore, both of Cleveland, Ohio. His wife, Pearl Miller Bienemen, preceded him in death in 1939.

Howard Gaston and his sister, Mrs. Elizabeth Shepard motored to Gordon, Wis., Monday and were accompanied home Tuesday night by Mrs. Gaston and children who have been visiting friends at Eau Claire lake. The 6-year-old daughter, Jill, was taken ill and it was necessary for the family to shorten its visit. Jill is now recovered from what was thought to be appendicitis.

## Ravenglen Farms Return To Exhibiting Stock at State and National Shows

The Ravenglen farms have started their fancy purebred livestock on a tour of state and national shows.

The Illinois state fair was the first on the list with other fairs in succession are as follows: Wisconsin state fair, Ohio state fair, Indiana state fair, Kentucky state fair, and the Dairy Cattle congress, Waterloo, Ia.

Showing has always been a part of the operation of Ravenglen farm, but the war stopped it after 1942 until this year, according to R. A. Arnold, manager.

Mr. and Mrs. P. J. Mutch, of Aspinwall, Penn., is visiting at the Ziervogel home at Lake Marie.

**PAINT IT YOURSELF WITH Plasti-Kote**

Use PLASTI-KOTE, the plastic miracle-finish, on autos, boats, toys, floors, furniture, walls, woodwork—wherever you want a gleaming, lasting and durable finish. PLASTI-KOTE leaves a cellophane-like surface that resists hot or cold water, alcohol, dirt and oil. It's easy to apply—covers in one coat, dries in 3 hours, leaving no brush marks. Available in 36 jewel-tone colors. **2.95 QUART**

## HI-HO...Come to the FAIR

Your County Fair. An annual festival which has changed very little since it began years ago. Visit the exhibit halls. See the colossal fruits and vegetables. Mouth watering jellies and preserves. Gay quilts and other needlework. Visit the exhibition barns. See the magnificent animals. Watch the harness races from the grandstand. Promenade the Midway. Visit our "Big Top" Electric farm show. See and hear WLS stars in person. Come to the Fair!

Everyday You'll Find Dollar Stretchers  
at Your A&P!

If you're having trouble making ends  
meet, you'll be surprised to discover  
how much further your food dollars go  
when you shop regularly at your thrifty  
A&P. How come? Because A&P cuts  
operating expenses to the bone . . .  
takes only a small profit . . . and shares  
the resulting savings with you in the  
form of prices that are really low . . .  
not just now and then, but all through  
the store.
